

COME PLAY GOLF FORE THE KIDS!

All net proceeds directly benefit PK-12 students in the Austin Public Schools through Austin Public Education Foundation grants.

Since 1992 the A.P.E.F. has awarded over \$678,000 in classroom grants to expand opportunities for the students of APS.

For the 2022-2023 school year, 43 grants totaling over \$43,000 were awarded to impact and inspire students at all eight Austin Public Schools as well as at the Community Learning Center and the Oakland Cooperative Center.

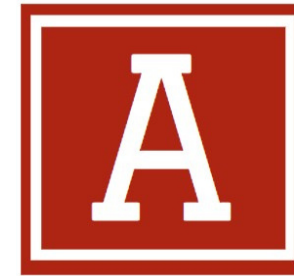

Programs and projects supported this year included: classroom libraries, science and STEM materials, math and reading centers, art tools, music supplies, sensory equipment, sports training equipment, robotics materials as well as many other tools and materials.

Your support of our Packer Classic golf fundraiser, Floor on the Wall memorial, special bequests and generous donations help us meet our commitment to be an innovative source of funding to supplement and support programs in the Austin Public Schools.

THANK YOU!

The Austin Public Education Foundation is a 501 (c) 3 corporation separate from Austin Public Schools.
